PONAD
40 lat
NA RYNKU

Firma EXPRES istnieje już ponad 40 lat, nieustannie umacniając swoją pozycję na rynku krajowym i zagranicznym. Obecnie jest jednym z wiodącym przedsiębiorstw w swojej branży.

Główna siedziba Firmy oraz centrum magazynowo-produkcyjne znajduje się w Sieprawiu, w województwie małopolskim. Główny profil firmy to produkcja kluczy mieszkaniowych oraz sprzedaż hurtowa produktów szeroko pojętej techniki dorabiania oraz programowania kluczy. Zakład Produkcyjno-Usługowo-Handlowy Expres był pierwszym polskim producentem kluczy typu „Yale”. Dzisiaj jesteśmy jedynym producentem kluczy surowych w Polsce.

Chcemy jeszcze lepiej przybliżyć Państwu naszą ofertę i usystematyzować ją tak, abyście korzystając z Katalogu mogli szybko i bezbłędnie określić rodzaj klucza, z jakim macie do czynienia.

Firma Expres została założona w 1978 roku. Początki były ciężkie, trudno było dostać zezwolenie na prowadzenie jakiejkolwiek działalności gospodarczej. Początkowo nasza produkcja obejmowała głównie zamki meblowe oraz karnisze okienne. Ale już w latach osiemdziesiątych Expres był jedną z wiodących w Polsce firmą produkującą surowe klucze typu "Yale".

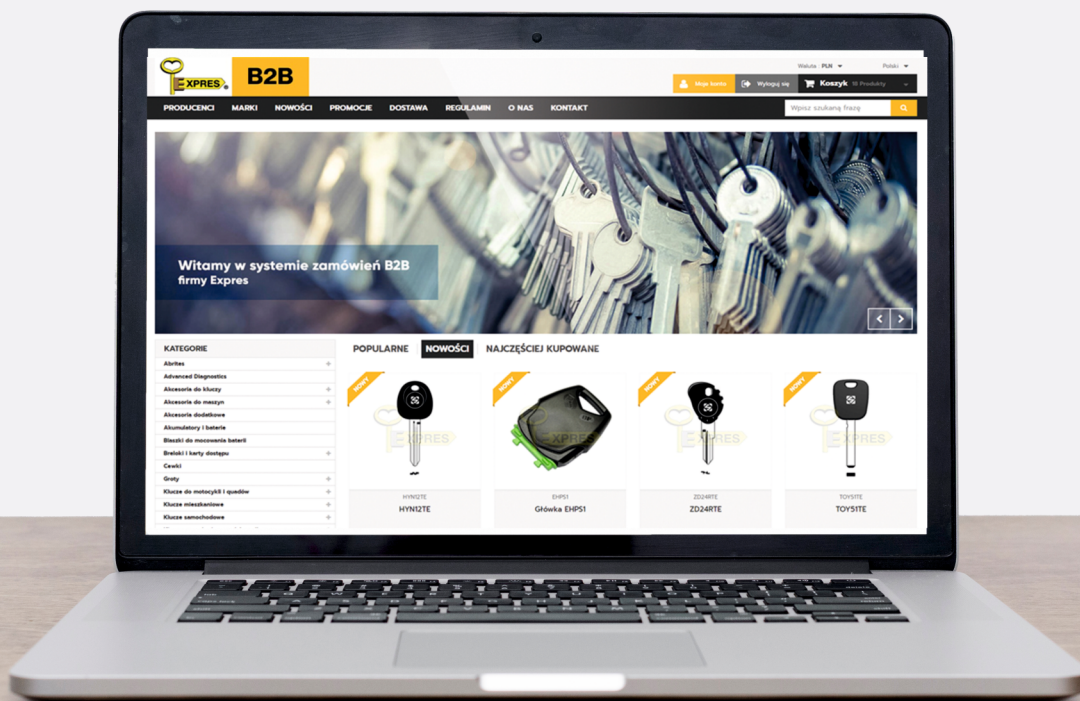

W naszym asortymencie znajduje się aktualnie kilka tysięcy rodzajów kluczy (zarówno samochodowych jak i mieszkaniowych). Miesięcznie produkujemy kilkaset tysięcy kluczy, które trafiają również za granicę naszego kraju. Nasze wyroby zyskały sobie uznanie i stałych klientów między innymi w Austrii, Czechach, Słowacji i wielu innych krajach.
